Leonard C. Ferguson
Cancer Center

You can send a lasting message — of strength, of love, of encouragement — to people who are fighting cancer. Purchase and dedicate a brick paver for the Healing Garden Walkway outside the doors of the newly expanded FHN Leonard C. Ferguson Cancer Center in Freeport.

Your gift will literally pave the way to a place of peacefulness where those fighting cancer and the people who love them can find encouragement and strength.

Dedicate a paver...

In memory of a loved one...

In honor of a survivor...

To show your support...

To show your company's support...
